# Deepio Kitchen Degreaser Powder - 5.5kg

**Variant code: 04-355**

**Deepio Kitchen Degreaser Powder** is a **powerful multi-purpose cleaning and degreasing detergent** specially formulated to tackle heavy grease, oil and food residues in busy commercial kitchens and food preparation environments. Its highly effective powder formulation quickly breaks down stubborn grease deposits, making it an ideal solution for maintaining hygienic and professional kitchen standards.

Designed as a versatile one-product cleaning solution, Deepio can be used across a wide range of kitchen surfaces and equipment, helping to simplify cleaning procedures and reduce the need for multiple specialist products. From floors and walls to cookers, fryers and utensils, it delivers outstanding cleaning performance while helping maintain a clean and safe working environment.

Suitable for use on **food contact surfaces**, Deepio Kitchen Degreaser Powder provides reliable cleaning power for professional catering operations, restaurants, canteens, hotels, food production facilities and institutional kitchens. The concentrated powder format offers excellent economy in use and long-lasting cleaning performance.
