Denis Rawlins Floor Tool: For DR75

Variant code: 16-CAP71001

Denis Rawlins Floor Tool is a genuine replacement steam cleaning floor attachment designed specifically for the **Denis Rawlins DR75 steam cleaner**. Engineered for efficient cleaning of large floor areas, this floor tool distributes high-temperature steam evenly across hard floor surfaces, helping to loosen dirt, grease and grime while delivering hygienic, chemical-free cleaning.

Its wide cleaning head allows operators to cover more floor area with each pass, improving productivity in commercial cleaning environments. Designed for use with floor cloths or direct steam cleaning, the tool effectively sanitises and refreshes sealed hard floors while maintaining excellent manoeuvrability around furniture and fixtures.

Manufactured from durable, commercial-grade materials, the Denis Rawlins Floor Tool is built to withstand the demands of everyday professional use. Easy to attach and remove, this genuine accessory helps maintain the versatility and performance of the DR75 steam cleaner across a wide range of floor cleaning applications.

Product Features
