Denis Rawlins Nylon Detail Brush: For DR75C

Variant code: 16-CAP10860

Denis Rawlins Nylon Detail Brush is a **specialist replacement cleaning brush** designed for use with the **Denis Rawlins DR75C Escalator Cleaner**. Engineered to provide precise cleaning performance, this nylon brush effectively removes dirt, dust and debris from escalator treads, grooves and hard-to-reach areas while maintaining safe and efficient operation.

Manufactured with durable nylon bristles, the brush delivers effective cleaning action without causing unnecessary wear to escalator surfaces. Its design allows it to reach into detailed areas where conventional cleaning methods may struggle, helping to improve cleanliness and maintain the appearance of escalator systems in high-traffic environments.

Built to withstand the demands of professional cleaning applications, this genuine replacement brush offers reliable performance, durability and easy installation. Regular replacement helps maintain optimum cleaning efficiency and ensures consistent results when used with the DR75C escalator cleaning system.

Product Features

- Replacement nylon detail brush for Denis Rawlins DR75C
- Designed for escalator cleaning applications
- Durable nylon bristle construction
- Effective dirt and debris removal
- Suitable for detailed cleaning of escalator treads and grooves
