Denis Rawlins Upholstery Tool: For DR75C

Variant code: 16-CAP71002

Denis Rawlins Upholstery Tool is a genuine replacement steam cleaning accessory designed specifically for the **Denis Rawlins DR75C steam cleaner**. Engineered for the safe and effective cleaning of upholstery, fabric furnishings and other soft surfaces, this tool delivers high-temperature steam precisely where it is needed, helping to loosen dirt, remove stains and sanitise without the need for harsh chemicals.

Its compact design allows easy manoeuvrability across chairs, sofas, vehicle interiors, mattresses and other upholstered surfaces, while the controlled steam output helps refresh fabrics and remove embedded dirt without excessive moisture. Manufactured from durable, commercial-grade materials, the upholstery tool is built to withstand frequent professional use while maintaining reliable cleaning performance.

Easy to attach and remove, this genuine Denis Rawlins accessory helps maximise the versatility of your DR75C steam cleaner, making it an essential tool for routine upholstery maintenance and deep cleaning across a wide range of commercial environments.
