Denis Rawlins Brush For DR75 Steamer - Body

Variant code: 16-CAP21146

Denis Rawlins Round Brush is a range of genuine replacement steam cleaning brushes designed for the **Denis Rawlins DR75 steam cleaner**. Available in **Stiff Round, Triangular, Soft and Body** variants, these interchangeable brushes allow operators to tackle a wide variety of cleaning tasks, from aggressive scrubbing of stubborn dirt to gentle cleaning of delicate surfaces.

Each brush is engineered to maximise the effectiveness of high-temperature steam, loosening grease, grime and embedded dirt while providing precise mechanical agitation where required. Whether cleaning grout lines, corners, sanitary fittings, upholstery, worktops or larger hard surfaces, the different brush styles allow users to select the most suitable tool for the application, delivering professional cleaning results with greater efficiency.

Manufactured from durable, commercial-grade materials, these genuine Denis Rawlins replacement brushes are easy to install and remove, ensuring minimal downtime during cleaning. They are ideal for maintaining the versatility and performance of the DR75 steam cleaner across a wide range of commercial and industrial cleaning environments.
