

Deodoscreen Urinal Screen – Original Floral Fragrance – Pack of 12

Variant code: 05-585

Deodoscreen is a scented urinal screen suitable for use in any urinal and lasts up to 30 days to help mask bathroom odours. The screen also prevents blockages. It is made from a minimum of 75% recycled plastic so colours may differ and include flecks. The screen is 100% recyclable, and the box and bag are made from recycled material. Deodoscreen is available in packs of 12 in floral fragrance.
