KGS Flexis® Diamond Floor Pads 21" Medium 1500 Fine - Tan - Box of 2

Variant code: 03-D21F

KGS Flexis Diamond Floor Pads are **professional diamond-impregnated floor cleaning and polishing pads** designed to improve the appearance of hard floors. The Medium Fine 1500 grit grade provides effective surface refinement, helping remove fine scratches, light marks and surface haze while enhancing floor brightness.

The **1500 grit pad** is the third stage of the KGS Flexis four-step floor restoration system. Designed for intermediate polishing and regular floor maintenance, it creates a **smooth, reflective finish** while preparing surfaces for the final 3000 grit polishing stage.

Suitable for use with compatible **rotary floor machines and scrubber driers**, the pad delivers effective cleaning and polishing using water alone. Its durable diamond abrasive construction provides consistent results across suitable concrete, terrazzo, marble, granite and other hard floor surfaces.

Product Features

- **Diamond-impregnated construction** for professional floor polishing
- **Medium Fine 1500 grit** abrasive grade
- Refines surfaces and removes fine scratches and haze
- Produces a smooth, reflective floor finish
- Third stage of the KGS Flexis four-step polishing system
- Effective cleaning and polishing using water alone
- Compatible with rotary floor machines and scrubber driers
- Supplied in a **box of 2 pads**

Product Benefits

- Enhances floor brightness and reflective shine
- Helps remove minor scratches and surface imperfections
- Reduces reliance on chemical polishing products
