**Water Soluble Disolvo Laundry Bags – 200 x 30
Litre Red Bags | Infection Control & Hygienic
Laundry Disposal**

Short Description: Ensure hygienic and efficient laundry handling with these red, water-soluble Disolvo laundry bags. Ideal for healthcare, care homes, and commercial settings, this box contains 200 x 30-litre capacity bags designed for safe and contact-free laundry disposal.

Long Description:

Streamline your laundry process and enhance hygiene standards with our premium **Water Soluble Disolvo Laundry Bags**. This bulk pack contains **200 high-quality, 30-litre capacity laundry bags** in a distinct **red colour** for easy identification and segregation.

Engineered for optimal **infection control**, these innovative bags are fully **water soluble**, eliminating the need to manually empty soiled linen. Simply place the filled bag directly into the washing machine. During the wash cycle, the bag completely dissolves, releasing the contents without any direct handling, significantly reducing the risk of cross-contamination and the spread of germs.

These **Disolvo laundry bags** are specifically designed for use in environments where hygiene is paramount, including:

- **Hospitals and Healthcare Facilities:** For the safe and sanitary handling of patient linen.
- **Care Homes and Nursing Homes:** To protect both residents and staff during laundry disposal.
- **Commercial Laundries:** Offering an efficient and hygienic solution for processing large volumes of laundry.
- **Hotels and Hospitality:** Enhancing hygiene protocols for guest linen.
- **Laboratories and Cleanrooms:** For the secure disposal of potentially contaminated textiles.

Key Features and Benefits:

- **Water Soluble Material:** Dissolves completely in the wash cycle, leaving no residue.
- **Enhanced Infection Control:** Minimises direct contact with soiled laundry, reducing the risk of cross-contamination.
- **Hygienic Laundry Disposal:** Provides a clean and sanitary method for handling and washing linen.
- **30 Litre Capacity:** Ideal size for individual loads of laundry.
- **Distinct Red Colour:** Facilitates easy identification and segregation of laundry types.
- **Bulk Pack of 200:** Offers a cost-effective and convenient solution for high-volume usage.
- **Strong and Durable:** Designed to securely hold laundry during transportation and handling.
- **Time and Labour Saving:** Eliminates the need for manual emptying of laundry bags.
- **Environmentally Conscious:** The water-soluble film is designed to break down safely during the wash.
