Diversey Soft Care Sensitive Foam Hand Wash - Case of 4 x 1.3L

Variant code: 10-0006

Diversey Soft Care Sensitive Foam Hand Wash is a gentle and hygienic foam soap solution developed for professional washroom and workplace environments where effective hand hygiene and skin care are essential. Part of the **Diversey IntelliCare Hand Hygiene range**, this product is designed to support high hygiene standards while helping reduce the risk of cross-contamination through touchless dispensing systems.

The foam formulation provides effective cleansing with a soft and comfortable feel on the skin, making it suitable for frequent hand washing throughout the day. Its touchless compatibility helps improve workplace hygiene and cleanliness by minimising physical contact with dispensers, supporting infection prevention protocols in busy shared environments.

Supplied in convenient **1.3 litre cartridges**, the product is suitable for use in compatible Diversey IntelliCare dispensing systems and is supplied as a case of **4 cartridges** for efficient stock management and reduced refill frequency.
