Door Stop with Handle

Variant code: 14-103646

A handy tool to safely prop doors open for easy access during cleaning tasks. The ergonomically-designed long handle with built-in locking/unlocking mechanism enables easy use with no bending. It also has a sturdy rubber stopper with a non-slip base to prevent damage to doors and flooring.

Property	Value
Width (mm)	80
Height (mm)	750
Depth (mm)	160
