Door Sign Symbol 'Baby Change' - 76mm - Satin Stainless Steel

Variant code: 3645.04.SSS

The **Baby Change Door Sign Symbol** is a premium architectural sign designed to provide clear, professional identification for baby changing facilities. Featuring a **76mm diameter**, this contemporary sign offers excellent visibility while complementing modern commercial, public and hospitality interiors. The universally recognised baby change symbol enables visitors to quickly locate dedicated baby changing rooms and family facilities.

Manufactured from high-quality metal, this door sign is built for long-lasting performance in busy environments. Its clean, minimalist design coordinates seamlessly with contemporary architectural ironmongery and washroom accessories, making it suitable for both new-build and refurbishment projects. Available in a choice of **Satin Stainless Steel (SSS)** and **Satin Anodised Aluminium (SAA)** finishes, it can be matched with a wide range of modern door hardware and interior finishes.

Ideal for commercial, healthcare and public buildings, the Baby Change Door Sign Symbol provides a durable, low-maintenance solution for clearly identifying baby changing facilities while enhancing the professional appearance and wayfinding within any building.
