Door Sign 76mm Symbol 'Disabled' - Polished Stainless Steel

Variant code: 3645.06.PSS

The **Disabled Door Sign Symbol** is a premium architectural sign designed to provide clear, professional identification for accessible washrooms, toilets and facilities. Featuring a **76mm diameter**, this contemporary sign displays the internationally recognised wheelchair accessibility symbol, ensuring clear wayfinding for visitors and building occupants. Its modern design complements a wide range of architectural ironmongery, making it ideal for commercial, public and healthcare environments.

Manufactured from high-quality metal, the sign is built to withstand the demands of high-traffic environments while maintaining its attractive appearance. Its clean, minimalist styling coordinates seamlessly with contemporary door furniture and washroom accessories. Available in a choice of **Satin Anodised Aluminium (SAA)**, **Polished Stainless Steel (PSS)** and **Satin Stainless Steel (SSS)** finishes, it can be matched to existing hardware for a consistent, professional finish throughout the building.

Suitable for new-build developments, refurbishment projects and public facilities, the Disabled Door Sign Symbol provides a durable, low-maintenance solution for identifying accessible amenities while improving navigation and enhancing the overall appearance of modern interiors.
