Drizit Absorbent Granules - 16kg

Variant code: 23-0399/16

16kg bags of Drizit clay oil absorbent granules are ideal for all industrial situations and perform particularly well on oils and greases.

- Made from natural recycled minerals processed in the UK
- Medium bulk density and not dusty
- Good resistance to traffic
- Non-flammable and non toxic
- Ideal for rough surfaces and outdoor use
