# Drizit Maintenance Spill Kit 240L Wheelie Bin

**Variant code: 23-0374**

Our Drizit Maintenance Spill Kit 240 is primarily for outdoor use for dealing with non-corrosive liquids, hydrocarbons, solvents and other aqueous and organic liquid spills that pose an environmental threat in areas such as:

- at bulk storage
- waste collection points
- delivery points
- near high risk areas

However, due to its size, shape and portability this is an ideal spill kit for internal use and anywhere where volumes of liquids are stored, delivered or received.

Container: Heavy duty, UV stabilised highly visible, waterproof container.

**Spill kit contents**

- 150 maintenance absorbent pads
- 5 maintenance absorbent socks
- 1 large maintenance absorbent sock
- 2 maintenance absorbent cushions
- 1 Dammit® mat
- 3 disposal bags and ties
- 800g Dammit® ready mix
- 1 personal safety kit
