

## Duo-Therm Glove – M – Orange/Blue

**Variant code: 22-A185O4RM**

The A185 uses the latest techniques to produce an excellent and durable glove. An extra layer of wrinkled latex is added to the 'high-wearing' fingertip areas of the glove only, which improves grip and durability, while reducing hand fatigue. The thermal liner provides added warmth for the hand.

| Property | Value       |
|----------|-------------|
| Colour   | Orange/Blue |
| Size     | M           |
