ERGONET FFP2 Valved Dolomite Respirator - Pack of 10

Variant code: 22-P271WHR

Ergonomically designed to fit most face shapes, this respirator has a soft outer net cover to protect and retain its shape. Ultrasound welded and metal free, this respirator works efficiently to reduce heat inside the mask and provides comfort when used in hot and humid conditions. Other features include an innovative moulded nose bridge seal for a perfect fit and an adjustable elastic head strap with quick release clips.
