Evans Clean Fast Washroom Cleaner Descaler - 2x5L

Variant code: 05-226

Evans Clean Fast is a powerful **washroom cleaner descaler** developed by Evans Vanodine for rapid removal of limescale and stubborn soiling in professional washroom environments. This heavy-duty foaming formulation delivers effective cleaning performance while helping maintain cleaner surfaces for longer through its protective easy-clean barrier technology.

The product produces a **thick, clinging foam** that increases contact time on vertical surfaces for improved cleaning results. In addition to removing limescale and soap deposits, Clean Fast provides **easy-clean and anti-fogging properties**, helping shower screens resist steaming and reducing water spotting during drying. Suitable for use on **porcelain, stainless steel, chrome, ceramic and quarry tiles**, it is ideal for washbasins, baths, showers, toilets, urinals and changing room floors. The formulation is also **approved for ALTRO flooring**, ensuring compatibility with specialist commercial flooring systems.

Product Features

- **Heavy-duty washroom cleaner and descaler**
- Quickly removes **limescale and stubborn soiling**
- **Thick foaming formulation** for improved surface contact
- Provides **easy-clean protective properties**
- **Anti-fogging technology** helps reduce shower screen steaming
- Suitable for multiple **washroom surfaces**
- **Approved for ALTRO flooring**

Product Benefits

- Improves efficiency in washroom cleaning routines
- Helps prevent build-up of soap and hard water deposits
- Enhances cleaning performance on vertical surfaces
- Supports cleaner and clearer shower screens
- Reduces spotting for improved finish

after drying
- Provides versatile use across multiple washroom areas
- Maintains hygiene and presentation in high-traffic facilities

Technical Characteristics

- Suitable for use on **porcelain, stainless steel, chrome and ceramic surfaces**
- Designed for washbasins, baths, showers, toilets and urinals
- Suitable for changing room floors and swimming pool surrounds
- Can be used for descaling shower heads
- Approved for use on **ALTRO flooring systems**
- Store in a cool, dry environment away from direct sunlight

Applications

Evans Clean Fast is suitable for use in commercial washrooms, leisure centres, swimming pools, gyms, healthcare facilities and contract cleaning operations. It is ideal for maintaining showers, toilets, washbasins and changing room areas where limescale, soap residue and hard water deposits are common. Its foaming action and protective cleaning properties make it a practical solution for maintaining hygiene and appearance in high-use washroom environments.

Property	Value
Fragrance	Citrus
pH	2.3
Area of Use	Washrooms
CLP	irritant
How to Use	Spray onto the surface and wipe with a clean damp cloth. For stubborn soiling and limescale, spray onto surface and leave for 30 seconds before agitating and wiping off.
Chemical Colour	Colourless
General Cleaning	Dilute 1:50 parts warm water (100ml per 5lt) 3x or ½ cupful per 5L.
