Evans Clear Glass Cleaner Refill - 5L

Variant code: 06-221

Evans Clear is a highly efficient **window, glass and stainless steel cleaner** developed by Evans Vanodine for professional cleaning applications. Designed to quickly remove grime, grease and finger marks, it leaves surfaces with a sparkling, streak-free finish while supporting high presentation standards in commercial environments.

This versatile formulation is suitable for use on a wide range of surfaces including **glass, stainless steel, chrome, plastic, ceramic, porcelain and mirrors**. It is particularly effective for removing finger marks from **lift interiors and surrounding surfaces**, helping maintain a clean and polished appearance in public-facing areas. The refill format is ideal for replenishing trigger spray bottles, providing an economical solution for routine cleaning tasks across offices, hospitality venues and commercial buildings.

Product Features

- **Professional glass and stainless steel cleaner**
- Leaves a **sparkling streak-free finish**
- Suitable for **glass, chrome and stainless steel surfaces**
- Quickly removes **grime, grease and finger marks**
