

Evans Clear Glass Cleaner Refill – 5L

Variant code: 06-221

Highly efficient window, glass and stainless steel cleaner.

It will quickly remove grime leaving a sparkling streak-free finish. Also suitable for cleaning various surfaces including chrome, plastic, computer keyboards, glass screens and surrounds, ceramic, porcelain, mirrors and stainless steel.

Especially effective in removing finger marks in lifts and surrounds.

Do not spray near food. Do not use on VDU Screens.
