

Evans Destain Coffee Stain & Tannin Remover – 5kg

Variant code: 04-313

Highly effective powder for removing tea and coffee stains from crockery. It is also suitable for removing tannin stains from tea urns, coffee making machines and vending machines. Dissolves easily in hot water. Contains a chlorine-releasing agent. Cleans and disinfects in one operation. Removes tannin and stubborn stains. Unperfumed. Effective in soft, medium or hard water.
