

## Evans E-Phos Perfumed Cleaner Sanitiser Descaler Refill – 2x5L

**Variant code: 05-126**

Multi surface, thickened toilet and washroom bactericidal cleaner. Removes limescale, body fat and general soiling from porcelain, stainless steel, chrome, ceramic and quarry tiles in toilets, washrooms and shower areas.

When used on a regular basis it will help prevent the build up of scale and also keep drains and outlet pipes free from offensive odour.

Quick and efficient cleaning action. Clings to vertical surfaces, allowing longer contact for better cleaning.

Kills a range of bacteria. Passes BS EN 1276. Long lasting deodorising perfume, leaves a clean, fresh fragrance.
