Evans Everfresh Toilet and Washroom Cleaner - 2 x 5L - Apple

Variant code: 05-122

Evans Everfresh is a high-performance **toilet and washroom cleaner** developed by Evans Vanodine for routine cleaning in professional washroom environments. This thickened formulation is designed to effectively remove dirt while helping maintain hygienic conditions across a wide range of surfaces.

The product features a **highly perfumed formulation** that leaves a long-lasting fresh fragrance after cleaning. Its **thickened consistency** allows it to cling to vertical surfaces, providing extended contact time for improved cleaning performance on toilet bowls, urinals and washroom fittings. With a **neutral pH**, it is suitable for use on materials including porcelain, stainless steel, plastic, vitreous enamel, chrome, ceramic and quarry tiles, making it a versatile solution for daily washroom maintenance.

Product Features

- **Thickened toilet and washroom cleaner** for professional use
- **Highly perfumed formulation** with fresh apple fragrance
- Removes **dirt and bacteria in one operation**
- **Neutral pH** suitable for multiple surface types
- Clings to **vertical surfaces** for improved cleaning
- Suitable for **daily and routine cleaning**
- Compatible with a wide range of washroom materials

Product Benefits

- Maintains hygiene standards in washroom environments
- Improves cleaning efficiency with combined cleaning action
- Enhances performance on vertical surfaces through extended contact time
- Leaves washrooms fresh and pleasantly fragranced
- Supports consistent results across
