Evans Everfresh Toilet and Washroom Cleaner RTU - 6 x 1L - Apple

Variant code: 05-121

Evans Everfresh is a high-quality **toilet and washroom cleaner** developed by Evans Vanodine for the effective daily cleaning of washroom facilities. This ready-to-use formulation is designed to remove dirt and bacteria in one operation, helping maintain hygiene standards across a wide range of washroom surfaces.

The **thickened formulation** clings to vertical surfaces, allowing longer contact time for improved cleaning performance on toilet bowls, urinals and washroom fittings. Its **neutral pH** ensures compatibility with a variety of materials, including porcelain, stainless steel, plastic, chrome, ceramic and quarry tiles. Finished with a **fresh apple fragrance**, it leaves washrooms clean, hygienic and pleasantly scented after use.

Product Features

- **Ready-to-use toilet and washroom cleaner**
- **Thickened formula** for improved vertical surface adhesion
- Removes **dirt and bacteria in one operation**
- **Neutral pH** suitable for multiple surface types
- Highly **perfumed apple fragrance**
- Suitable for **daily and routine cleaning**
- Compatible with a wide range of washroom materials

Product Benefits

- Maintains hygiene standards in washroom environments
- Improves cleaning efficiency with combined cleaning and sanitising action
- Enhances cleaning performance on vertical surfaces
- Provides a fresh and pleasant washroom environment
- Supports consistent cleaning results across multiple surfaces
- Reduces the need for multiple cleaning products

- Suitable for frequent use in high-traffic areas

Technical Characteristics

- **Ready-to-use formulation** – no dilution required
- Apply directly to toilet bowls, urinals, sinks and washroom surfaces
- Suitable for use on **porcelain, stainless steel, plastic, chrome and ceramic**
- Clings to vertical surfaces for extended contact time
- Use as part of daily washroom cleaning routines
- Follow manufacturer instructions for safe and effective use
- Store in a cool, dry environment away from direct sunlight

Applications

Evans Everfresh is suitable for use in commercial washrooms, public facilities, offices, healthcare environments and contract cleaning operations. It is ideal for the routine cleaning of toilets, urinals, sinks and washroom fittings, providing effective cleaning and hygiene while leaving a fresh apple fragrance. Its compatibility with multiple surfaces makes it a practical solution for maintaining cleanliness in high-use washroom areas.

Property	Value
Fragrance	Apple
pH	7
Area of Use	Toilet and Washroom
How to Use	Flush toilets/urinals, apply undiluted and leave briefly before brushing and rinsing; for surfaces, apply diluted, wipe, and rinse; for general cleaning, dilute 1:50 with hot water and mop or wipe surfaces.
Chemical Colour	Green
Toilets and Urinals	Apply undiluted and leave for a few minutes, agitate with brush if necessary. Flush with clean water.
General Cleaning	Dilute 1:50 parts hot water (100 ml per 5L water). Mop or wipe surface.
Sanitary Ware	Apply undiluted, wipe with a damp cloth and rinse with a clean water.
