# Evans Evolve Citrus Foam - Hand Wash Cartridge - Case of 6x1L

**Variant code: 10-358**

**Evans Evolve Citrus Foam** is a professional **foam hand wash cartridge** developed by Evans Vanodine for use in high-traffic washroom environments. Designed for compatibility with the Evans Evolve dispensing system, it delivers effective hand cleansing through a rich foam application while supporting hygienic and efficient cartridge replacement.

Its foam formulation provides thorough cleansing with a pleasant citrus fragrance, helping maintain fresh and welcoming washroom facilities. The cartridge system is designed to improve hygiene standards by minimising contamination risks associated with open refill systems, while also supporting controlled and economical product dispensing.

The sealed cartridge format allows quick and straightforward replacement, making it particularly suitable for professional environments where efficiency, cleanliness and presentation are important.
