Evans Evolve Black Pepper and Bergamot Hand, Hair and Body Wash Cartridge Pack - Case of 6x1L

Variant code: 10-353

Evans Evolve Black Pepper and Bergamot is a premium **hand, hair and body wash cartridge** developed by Evans Vanodine for professional washroom and shower environments. Designed for use with compatible Evolve dispenser systems, it combines effective cleansing performance with a modern fragrance profile to support a high-quality user experience in commercial and hospitality settings.

This revitalising formulation produces a **rich creamy lather** that delivers thorough cleansing for hands, body and hair while remaining **mild and gentle to skin**. Its **neutral pH formulation** and added moisturiser help protect skin and support comfort during frequent daily use. The invigorating fragrance combines contemporary **black pepper and bergamot notes**, helping maintain a fresh and premium washroom environment.

The sealed cartridge format supports hygienic dispensing and efficient maintenance, making it particularly suitable for high-use professional facilities where presentation and hygiene standards are important.
