Evans Evolve Trigon Foam Plus - Bactericidal Foam Hand Wash Cartridge - Case of 6x1L

Variant code: 10-360

Evans Evolve Trigon Foam Plus is a professional **bactericidal foaming hand wash** developed for environments where effective hand hygiene is essential. Designed for use with compatible Evans Evolve dispenser systems, this unperfumed formulation delivers high levels of bactericidal performance while remaining gentle enough for frequent daily use.

This foaming hand wash passes **EN 1499, EN 13727 and EN 1276** standards and is proven to kill **99.999% of bacteria** when used correctly. Its unperfumed formulation makes it particularly suitable for use in food handling and hygiene-sensitive environments where fragrance-free products are preferred. Enriched with moisturising ingredients, it helps maintain skin comfort during repeated washing throughout the working day.

The highly efficient foam formulation delivers over **1,600 pumps per 1L cartridge**, helping reduce product consumption while supporting effective hand washing procedures. Only three pumps are required to achieve EN standard performance, making it suitable for high-use professional environments.

Product Features

- **Bactericidal foaming hand wash**
- Passes **EN 1499, EN 13727 and EN 1276**
- Kills **99.999% of bacteria**
