Evans Evolve Trigon Unperfumed - Hand Wash Cartridge - Case of 6x1L

Variant code: 10-355

Evans Evolve Trigon Unperfumed is a professional **hand wash cartridge** developed by Evans Vanodine for environments where effective hand cleansing and skin comfort are essential. Designed for use within compatible dispenser systems, it delivers reliable hand hygiene performance while supporting efficient and hygienic cartridge replacement.

This formulation produces a **rich creamy lather** that provides thorough cleansing while remaining **mild and gentle to skin**. Its **neutral pH formulation** and added moisturiser help support skin condition during frequent daily use, making it suitable for high-use washroom and workplace environments. Being **unperfumed**, it is particularly suitable for use within the **food industry** and other hygiene-sensitive areas where fragrance-free products are preferred.

The sealed cartridge format helps improve hygiene standards while simplifying dispenser maintenance and refill procedures.

Product Features

- **Hand wash cartridge** for professional dispenser systems
- Produces a **rich creamy lather** for effective cleansing
- **Neutral pH formulation** gentle on skin
- Contains moisturiser to help protect skin
- **Unperfumed formulation** suitable for hygiene-sensitive environments
