

Evans Florazol Deodoriser – 4 x 1L – Bouquet

Variant code: 06-222/B

Powerful, highly concentrated deodoriser.

Ideal in washrooms for overcoming malodours and especially effective in care homes and hospitals when incontinent patients have to be considered.

Very effective, highly perfumed product. Ideal for use wherever malodours need to be overcome.

Effective alternative to aerosols when used in an atomiser or spray.

The addition of Florazol to the solution tank of hot water extraction machines helps overcome urine, faeces, tobacco and other malodours, when cleaning carpets.
