

## Discontinued – Evans Fresh Air Freshener Refill – Case of 2x5L

**Variant code: 06-620**

High quality air freshener and odour neutraliser formulated to dispel unpleasant odours and freshen your living and working environment. Primarily manufactured for spraying into the air, but is highly recommended for wiping hard surfaces or adding to a carpet shampoo solution. Ideal for use in offices, hotels, public rooms, reception areas and washrooms. Contains a long lasting perfume. Will freshen the atmosphere and quickly dispel unpleasant odours. Overcomes and neutralises tobacco and cooking aromas.

Property	Value
Fragrance	Wild Berry
Usage Instructions	Air Freshening: Use the ready to use 750ml spray bottle or pour undiluted into trigger spray. Spray into the air, away from the face.
Dilution	Carpets: Add to carpet shampoo solution at a dilution rate of 1:50 and clean carpet in the normal manner. 100ml per 5lt of solution. 3x per 5lt. Hard Floors: Use undiluted or dilute up to 1:50 depending on odour. Remove soiled matter and mop.
Do's & Don'ts	Do not spray near food or furniture. If sprayed accidentally onto furniture, wipe off immediately.
Chemical Colour	Colourless
