

Evans Hand/Body Wash & Shampoo – Eucalyptus and Aloe – Case of 6x500ml

Variant code: 10-230

Evans Eucalyptus and Aloe is a premium **hand, body wash and shampoo** developed by Evans Vanodine for use in professional washroom and shower environments. Combining effective cleansing performance with a luxurious fragrance profile, it is designed to provide a pleasant and refreshing washing experience in commercial, hospitality and leisure settings.

This versatile formulation produces a **rich creamy lather** that delivers thorough cleansing for hands, body and hair while remaining **mild and gentle to skin**. Enriched with **cosmetic skin care components**, it helps support skin comfort during regular use, making it suitable for high-frequency washroom environments. The contemporary fragrance combines notes of **eucalyptus and aloe**, creating a clean and refreshing finish ideal for premium facilities.

Designed for use in refillable dispensers, it provides an efficient and practical solution for maintaining hygiene, presentation and user comfort across shared washroom and shower areas.

Product Features
