Evans Lift Heavy Duty Cleaner Degreaser Refill - 5L

Variant code: 04-225

Evans Lift Heavy Duty Cleaner Degreaser Refill is a powerful **multi-purpose detergent** developed by Evans Vanodine for demanding cleaning applications across kitchens, food processing environments and general industry. Designed to tackle heavy contamination, it effectively removes grease, oil and ingrained soiling from a wide range of hard surfaces.

This versatile formulation is suitable for use on equipment and surfaces such as **cooker hoods, deep fat fryers, ovens, floors and walls**. It works efficiently in both hard and soft water conditions, as well as in warm or cold water, ensuring consistent performance across different cleaning environments. The **unperfumed formulation** makes it particularly suitable for food preparation areas where odour neutrality is important, while its concentrated nature supports economical use in high-demand operations.

Product Features

- **Heavy duty cleaner and degreaser** for professional use
- Effectively removes **fat, grease, oil and ingrained soiling**
- Suitable for a wide range of **hard washable surfaces**
- Works in **hard or soft water** and at varying temperatures
- **Unperfumed formulation** for food-safe environments
- **Concentrated formula** for economical use
- Designed as a **refill solution** for cleaning systems

Product Benefits

- Delivers effective removal of heavy contamination in demanding environments
- Improves cleaning efficiency across multiple applications
- Suitable for both kitchen and industrial cleaning tasks
- Supports hygiene standards in food processing areas

- Provides consistent performance regardless of water conditions
- Reduces product consumption through concentrated formulation
- Offers a versatile solution for professional cleaning teams

Technical Characteristics

- Designed for use on **cooker hoods, fryers, ovens, floors and walls**
- Suitable for use on all **hard washable surfaces**
- Can be used in **hot or cold water**
- Effective in both **hard and soft water conditions**
- Use diluted according to soil level and cleaning requirements
- Ideal for use in refill systems or manual cleaning processes
- Store in a cool, dry environment away from direct sunlight

Applications

Evans Lift Heavy Duty Cleaner Degreaser Refill is suitable for use in commercial kitchens, food processing facilities, engineering workshops and general industrial environments. It is particularly effective for removing heavy grease and oil build-up from cooking equipment and high-use surfaces, as well as for tackling ingrained dirt in industrial settings. Its unperfumed formulation and versatility make it an essential cleaning solution where both performance and hygiene are critical.

Property	Value
Fragrance	Faint Solvent
pH	13.4
Area of Use	Kitchen Surface and Floor Degreasing
Dosing Chart: 10L Dilution	dosing:6
Dosing Chart: 5L Dilution	dosing:3
Dosing Chart: Trigger Dilution	dosing:1
CLP	corrosive
