Evans Lift Heavy Duty Cleaner Degreaser RTU - 6 x 750ml

Variant code: 04-226

Evans Lift Heavy Duty Cleaner Degreaser RTU is a ready-to-use **multi-purpose detergent** developed by Evans Vanodine for demanding cleaning tasks across kitchens, food processing areas and general industry. Designed for convenience and efficiency, it delivers powerful cleaning performance without the need for dilution, making it ideal for fast-paced environments.

This formulation is highly effective at **removing grease, oil and ingrained soiling** from a wide range of hard surfaces, including cooker hoods, deep fat fryers, ovens, floors and walls. Its versatility allows it to perform consistently in both hard and soft water conditions, as well as in warm or cold environments. The **unperfumed formulation** makes it particularly suitable for use in food preparation areas where odour neutrality is essential, while also being effective in engineering and industrial cleaning applications.

Product Features

- **Ready-to-use heavy duty cleaner and degreaser**
- Effectively removes **fat, grease, oil and ingrained soiling**
- Suitable for a wide range of **hard washable surfaces**
- Works in **hard or soft water** and varying temperatures
- **Unperfumed formulation** for food-safe environments
- Designed for **quick and convenient application**
- Versatile for kitchen, industrial and general cleaning tasks

Product Benefits

- Delivers fast and effective cleaning without the need for dilution
- Improves efficiency in busy cleaning environments
- Supports hygiene standards in food preparation areas
- Provides consistent performance across different conditions

- Reduces preparation time for cleaning tasks
- Suitable for both catering and industrial applications
- Helps maintain clean and safe working environments

Technical Characteristics

- **Ready-to-use formulation** – no dilution required
- Apply directly using spray and wipe method
- Suitable for **cooker hoods, fryers, ovens, floors and walls**
- Effective on all **hard washable surfaces**
- Works in **hot or cold conditions**
- Effective in both **hard and soft water areas**
- Store in a cool, dry environment away from direct sunlight

Applications

Evans Lift Heavy Duty Cleaner Degreaser RTU is suitable for use in commercial kitchens, food processing facilities, engineering workshops and general industrial environments. It is ideal for cleaning heavily soiled equipment and surfaces, particularly where grease and oil build-up is common. Its ready-to-use format makes it especially practical for quick-response cleaning tasks and routine maintenance in high-use areas.

Property	Value
Fragrance	Faint Solvent
pH	12
Area of Use	Work surfaces, cooker hoods, ovens
How to Use	Spray onto surface and wipe with a clean cloth. Rinse with clean water. For small areas, spray onto cloth and wipe surface. Rinse with clean water. For prolonged use it is advisable to wear rubber gloves.
Chemical Colour	Colourless
Trigger Spray Bottle Refill (RTU)	Dilute 1:25 parts cold water (30 ml per 750 ml)
