Evans Black Pepper and Bergamot - Hand Hair and Body Wash - Case of 2x5L

Variant code: 10-150

Evans Black Pepper and Bergamot is a premium **hand, hair and body wash** developed by Evans Vanodine for high-quality washroom and shower environments. Combining effective cleansing performance with a contemporary fragrance profile, it is designed to deliver an enhanced user experience in commercial, hospitality and leisure settings.

Formulated with an **anti-bacterial ingredient**, this versatile wash creates a **rich creamy lather** that provides thorough cleansing for hands, body and hair while remaining gentle enough for regular use. Its **neutral pH formulation** and added moisturiser help support skin comfort by reducing dryness, making it suitable for frequent washing throughout the day. The invigorating fragrance combines modern notes of **black pepper and bergamot**, helping maintain a fresh and premium washroom environment.

Designed for use in refillable dispensers, this larger refill format is particularly suited to high-use facilities where efficient replenishment and consistent presentation are important.

Product Features

- **Hand, hair and body wash** for professional washroom environments
- Contains an **anti-bacterial ingredient**
- Produces a **rich creamy lather** for effective cleansing
- **Neutral pH formulation** gentle on skin
