Evans Protect Disinfectant Cleaner Concentrate Refill - 2 x 5L

Variant code: 05-215

Evans Protect is a professional **disinfectant cleaner concentrate** developed by Evans Vanodine for use in hygiene-critical environments. This multipurpose formulation is designed to clean and disinfect in one application, helping maintain high standards of cleanliness and infection control across a wide range of surfaces.

Suitable for use in environments such as **schools, hospitals, surgeries, nursing homes, sports clubs and leisure facilities**, Protect delivers effective bactericidal performance while removing general soiling. It is particularly suited to the leisure industry for cleaning equipment, sunbeds, steam rooms and saunas. The formulation passes **BS EN 1276** standards and is effective against a wide range of bacteria, including **MRSA and Shigella sonnei**, as well as viruses and fungi, helping to reduce the risk of cross infection. It leaves a **clean, fresh odour** after use and is suitable for a variety of hard surfaces.

Product Features

- **Multipurpose disinfectant cleaner concentrate**
- Cleans and disinfects in **one application**
- Effective against a **wide range of bacteria, viruses and fungi**
- Passes **BS EN 1276** hygiene standard
- Suitable for a variety of **hard surfaces**
- Ideal for use in **healthcare and leisure environments**
- Leaves a **clean, fresh fragrance**

Product Benefits

- Supports infection control in high-risk environments
- Reduces risk of cross-contamination on frequently touched surfaces
- Improves efficiency by combining cleaning and disinfection
- Provides versatile use across multiple sectors
- Maintains hygiene standards in demanding environments
