

Evans Rinse Aid Multi for Automatic Machines – 2x5L

Variant code: 04-498

A blend of low foaming surfactants to promote the rapid drying of drinking glasses.

Suitable for use in pubs, hotels, restaurants, clubs and bars. For use in all types of automatic glass and dish washing machines.

Concentrated formulation, economical in use. Eliminates water spotting. Leaves glasses and crockery sparkling and streak free.

Will not affect beer head retention.

Effective in soft, medium and hard water conditions.

Supplied in a natural see-through container to easily check the volume.
