Exel Handle - Green

Variant code: 15-100G

The **Robert Scott Exel Handle** is a professional-quality aluminium mop handle designed for use with the **Exel® socket mop system**. Measuring **1370mm (137cm)** in length, this lightweight yet durable handle provides excellent strength and comfortable handling, making it ideal for demanding commercial cleaning environments.

Featuring the trusted Exel push-fit connection, the handle securely locks into compatible Exel mop heads for fast and efficient mop changes. Available in **Blue, Green, Yellow and Red**, the colour-coded design supports hygiene compliance and helps reduce the risk of cross-contamination by assigning cleaning equipment to designated areas.

Suitable for professional cleaning contractors, healthcare, hospitality, education and food preparation environments, the Robert Scott Exel Handle delivers reliable performance for everyday cleaning tasks.
