Exel Revolution Mop Head Small - 250g - Red

Variant code: 15-RM25R

Exel Revolution Looped End Socket Mop - Small - 250g is a **hardwearing professional mop head** designed for effective wet floor cleaning. Made from a blend of **recycled cotton and polyester yarns**, it combines absorbency with improved strength and durability for regular commercial cleaning.

The **circular mop head** features a **stayflat band** that maintains its shape, allowing the yarn to spread across a larger floor area. Its **looped-end construction** helps prevent linting and tangling during use, supporting efficient cleaning and consistent floor coverage.

Featuring an **Exel push-fit socket**, the mop attaches to compatible handles for convenient use. Its **colour-coded design** supports cleaning area segregation, while the washable construction makes it suitable for repeated floor maintenance.

Product Features

- **250g small mop head** for professional wet cleaning.
- **Cotton and polyester yarn blend** for strength and absorbency.
- **Circular profile** for wider floor coverage.
- **Stayflat band** maintains the mop's shape.
- **Looped-end yarn** reduces linting and tangling.
- **Exel push-fit socket** for easy attachment.
- **Colour-coded design** supports hygiene procedures.
- **Launderable up to 60°C** for repeated use.

Product Benefits

- **Good absorbency** supports effective wet mopping.
- **Durable yarn blend** withstands regular cleaning.
- **Wider cleaning coverage** improves efficiency.
- **Reduced linting** helps maintain cleaner floors.

- **Push-fit attachment** simplifies mop replacement.
- **Reusable construction** helps reduce replacement frequency.

Technical Characteristics

- **Product Type:** Looped End Socket Mop
- **Range:** Exel Revolution
- **Size:** Small
- **Mop Weight:** 250g
- **Yarn Material:** Recycled Cotton and Polyester
- **Yarn Type:** Hygiemix
- **Yarn Construction:** Looped End
- **Mop Profile:** Circular
- **Band Type:** Stayflat
- **Socket Type:** Exel Push-Fit
- **Handle Compatibility:** Exel, Hygiene and Suitable Wooden Handles
- **Colour Coding:** Yes
- **Maximum Laundering Temperature:** 60°C
- **Cleaning Method:** Wet Mopping

Applications

Ideal for **schools, hospitals, care homes, offices, hotels and commercial cleaning environments** requiring reliable wet floor maintenance. Suitable for washable hard floors and colour-coded cleaning systems.

Laundering and Care: These mops are launderable up to 60°C. Depending on the chemicals used and the surfaces these mops are used to clean, the mop heads should wash around 80 times.

After use, launder as required and allow the mop head to dry thoroughly before storage.
