Fairy Liquid Original Washing Up Liquid - 5L

Variant code: 04-150G

Fairy Original Washing Up Liquid is a **concentrated manual dishwashing detergent** designed to cut through grease, food residues and everyday kitchen dirt. Its effective cleaning formula helps leave plates, glasses, cutlery, pots and pans thoroughly clean, making it a practical choice for both domestic kitchens and busy commercial catering environments.

Formulated with **powerful grease-cutting ingredients and long-lasting suds**, the washing up liquid helps lift stubborn food deposits while remaining gentle on hands during normal use. Its concentrated formula provides **economical cleaning performance**, with less product required for routine washing up. Fairy is also recognised for its easy-rinsing properties, helping remove detergent residues and leave dishes with a clean, shiny finish.

Supplied in a convenient **5-litre container**, this washing up liquid is suitable for regular use in professional kitchens, restaurants, cafés, schools and workplace catering facilities. The larger format provides a practical supply for frequent dishwashing and can be used to refill suitable smaller dispensing bottles. Also available separately in an **antibacterial formulation**, Fairy offers options for different kitchen cleaning requirements.
