Fimap 0.3PPL Soft (Blue) Brush: For MXR

Variant code: 16-436232

Fimap 0.3 PPL Soft Brush is a **gentle floor scrubbing brush** designed specifically for use with **Fimap MXR scrubber dryers**. Featuring soft 0.3mm polypropylene (PPL) bristles, this brush is ideal for routine cleaning and maintenance of delicate hard floor surfaces where effective cleaning is required without causing damage or excessive wear.

The soft bristle design provides excellent floor contact while delivering gentle yet effective dirt removal. Suitable for daily maintenance cleaning, the brush helps remove dust, light soiling and surface contaminants while preserving the appearance and finish of sensitive floor coverings.

Manufactured for professional cleaning environments, the Fimap 0.3 PPL Soft Brush offers reliable performance, long service life and consistent cleaning results. It is an excellent choice for facilities requiring regular floor maintenance on polished, sealed and delicate surfaces.
