Fimap Pad Drive Board - For MXR Scrubber Dryer

Variant code: 16-436236

Fimap Pad Drive Board is a genuine replacement drive plate designed specifically for **Fimap MXR ride-on scrubber dryers**. Engineered to securely hold floor cleaning pads, it delivers **smooth, consistent pad rotation** for effective scrubbing performance across a wide range of hard floor surfaces.

Featuring an **integrated damping system**, the drive board helps absorb vibration during operation, improving machine stability while reducing wear on both the cleaning pads and the scrubber's drive components. Manufactured from **durable, heavy-duty materials**, it is built to withstand the demands of continuous commercial floor cleaning, providing reliable performance and long service life.

Designed as a direct replacement for **OEM Part Number 436236**, this genuine Fimap pad drive board installs quickly, helping minimise machine downtime and restore optimum cleaning efficiency for professional floor maintenance.

Product Features

- **Genuine replacement pad drive board**
- Designed for **Fimap MXR ride-on scrubber dryers**
- **21" (535mm) pad diameter**
- **OEM Part Number: 436236**
- **Integrated damping system** for smoother operation
- Securely holds floor cleaning pads
- Heavy-duty, durable construction
- Direct replacement for easy installation
- Designed for commercial floor cleaning applications
- Genuine Fimap replacement part

Product Benefits

- Delivers **smooth and consistent pad rotation**
- **Integrated damping** reduces vibration during operation
- Helps extend the life of cleaning pads and machine components
- Restores optimum scrubbing

performance
- Minimises machine downtime with simple replacement
- Built for reliable long-term use in demanding commercial environments

Technical Characteristics

- **Product Type:** Pad Drive Board
- **Brand:** Fimap
- **OEM Part Number:** 436236
- **Machine Compatibility:** Fimap MXR Ride-On Scrubber Dryer
- **Pad Size:** 21" (535mm)
- **Type:** Pad Driver with Damping
- **Function:** Holds and drives floor cleaning pads
- **Installation:** Direct Replacement
- Application: Commercial Floor Scrubber Dryer

Applications

The **Fimap 21" (535mm) Pad Drive Board** is ideal for maintaining **Fimap MXR ride-on scrubber dryers** used in **shopping centres, warehouses, hospitals, schools, airports, supermarkets, manufacturing facilities, leisure centres and other commercial cleaning environments**. Designed to securely drive **21-inch floor pads**, it delivers efficient and consistent scrubbing performance while the **integrated damping system** helps ensure smooth machine operation and extended component life.

Property	Value
