Finish Classic Dishwasher Tablets - Pack of 100

Variant code: 04-454

Finish Classic Powerball Dishwasher Tablets are **automatic dishwasher detergent tablets** designed to deliver effective everyday cleaning of dishes, glasses, cutlery and kitchen utensils. Combining **two powerful cleaning actions**, the tablets help tackle stubborn food residues and tea stains, leaving dishwasher-safe tableware clean and ready for use. Supplied in a convenient **pack of 100 tablets**, they provide a practical solution for regular dishwashing in domestic kitchens and suitable workplace environments.

The distinctive **Powerball pre-soaking action** helps soften tough, dried-on food deposits during the wash cycle, making them easier to remove. At the same time, the tablet's **powerful detergent ingredients** work to lift and wash away grease, food residues and staining. This dual-action cleaning process helps deliver reliable results without the need for separate manual pre-soaking in normal washing conditions.

Finish is a **leading dishwasher detergent brand recommended by major dishwasher manufacturers**. Its Classic Powerball tablets provide convenient, pre-measured detergent dosing, helping simplify everyday dishwashing and avoid the guesswork associated with measuring liquid or powder detergents. Each tablet is designed for use in the dishwasher's detergent dispenser, providing an easy and consistent cleaning solution for busy kitchens.
