Flash All -Purpose Cleaner - Lemon - 5L

Variant code: 04-350L

Flash All-Purpose Cleaner Lemon is a **concentrated multi-surface cleaning detergent** designed to deliver effective cleaning and long-lasting shine across washable hard surfaces and floors. Developed for professional cleaning environments, its powerful formula **dissolves grease, dirt and everyday grime**, helping maintain clean, presentable surfaces in commercial premises, offices, schools and hospitality facilities.

The versatile formulation is suitable for cleaning **hard floors, kitchen worktops, washroom surfaces and other washable interior surfaces**. It removes everyday soiling while leaving behind a **fresh, pleasant lemon fragrance** and an attractive shine. Effective in different water conditions, the cleaner can be used with a mop and bucket or compatible floor cleaning machines, making it a practical choice for regular cleaning and maintenance.

Designed for **economical professional use**, the concentrated formula can be diluted for routine cleaning, with **no rinsing required when used at the recommended dilution**. For heavily soiled areas, it can also be applied undiluted and rinsed after the recommended contact time. Supplied in a convenient **5-litre container**, it provides a versatile solution for maintaining cleanliness across a wide range of commercial and domestic environments.

Product Features

- **Professional all-purpose cleaner** for washable hard surfaces and floors
- **Powerful cleaning formula** effectively dissolves grease, dirt and grime
- Provides a **long-lasting shine** on suitable surfaces
