Floor Vinyl - Keep Your Distance - 300mm - for External Use - Pack of 10

Variant code: 29-371

Keep Your Distance' signage A textured vinyl sign for temporary floor graphics, for applying to smooth, indoor floor surfaces in good condition. This can withstand regular levels of foot traffic and has an anti-slip finish. We also offer a version that is suitable for applying to carpet, or outside areas - contact us for more details. Great for getting areas ready for occupation as part of your COVID-19 social distancing strategy. APPLICATION AND CARE OF FLOOR GRAPHICS Ensure the floor surface is clean from contamination, dust free, and dry before applying graphics. Apply floor graphics using a dry application method, to smooth, flat, sealed surfaces only. Testing for product suitability by user is recommended prior to all applications. Make sure edges are applied well. Allow 24 hours to cure before being exposure to moisture or cleaning. Avoid exposure to heavy traffic. If edges of graphics begin lifting, replace graphics immediately to avoid the risk of tripping hazard.
