Touch Plastic Auto Cartridge Dispenser - 1L - White

Variant code: 28-801

Modu Hygiene Soap Dispenser - FLX Auto Cartridge - Plastic - 1L - White: Touchless Hygiene for Your Business

Ensure superior hand hygiene in your commercial environment with the **Modu Hygiene Soap Dispenser - FLX Auto Cartridge - Plastic - 1L - White**. This sleek and reliable **automatic soap dispenser** offers a **touch-free** solution, minimising the risk of cross-contamination and promoting a healthier environment for your staff and customers.

Designed for efficiency and ease of maintenance, this **1-litre soap dispenser** utilises a convenient **cartridge system**, making refills quick and mess-free. The durable **plastic construction** ensures longevity, even in high-traffic areas. Its clean and modern **white finish** seamlessly integrates into any washroom decor.

Key Features & Benefits:

- **Touchless Operation:** Promotes optimal hand hygiene and reduces the spread of germs.
- **Automatic Soap Dispenser:** Provides a controlled and consistent dose of soap with every use, minimising waste.
- **1L Capacity:** Ideal for busy environments, reducing the frequency of refills.
- **FLX Cartridge System:** Ensures hygienic and easy cartridge replacement.
- **Durable Plastic Construction:** Constructed from high-grade ABS plastic, built to withstand the demands of commercial use.
- **Sleek White Design:** Aesthetically pleasing and blends seamlessly into any setting.
- **Hygienic Refills:** Sealed cartridges prevent contamination.
- **Cost-Effective:** Controlled dispensing reduces soap consumption.
- **Easy to Install and Maintain:** Simple to mount and refill.
- **Ideal for B2B Environments:** Perfect for offices, restaurants, healthcare facilities, schools, and more.
