Lemon Washing Up Liquid - 500ml

Variant code: 04-152

Easy Lemon Washing Up Liquid is a **general-purpose manual dishwashing detergent** designed for everyday cleaning of crockery, glassware, cutlery and kitchen utensils. Its effective cleaning formula helps **cut through grease and remove food residues**, leaving washable kitchen items clean and fresh. Supplied in a convenient **500ml bottle**, it provides a practical solution for domestic kitchens and light commercial cleaning applications.

Formulated to be **tough on grease while gentle on skin** during normal use, this washing up liquid helps make everyday dishwashing easier and more comfortable. Its **fresh lemon fragrance** leaves a pleasant citrus scent during washing up, while the liquid detergent can be added to warm water for routine cleaning of dishes, glasses, pots, pans and other suitable kitchenware.

Designed with an **easy-to-handle ergonomic bottle**, the washing up liquid offers convenient dispensing and comfortable handling during regular use. Its compact size makes it suitable for kitchens where storage space is limited, including staff kitchens, offices, holiday accommodation and domestic households. Combining **effective grease removal, convenient packaging and a fresh lemon fragrance**, it provides an economical and straightforward solution for everyday washing up.
