The Oxford Wall-Mounted Soap Dispenser with Frosted Glass and Polished Chrome Finish

Modernise your bathroom with a touch of timeless sophistication. The Oxford Wall-Mounted Soap Dispenser seamlessly blends classic design with modern functionality, offering a stylish and practical solution for any bathroom. This premium dispenser is crafted to the highest standards, ensuring durability, hygiene, and a luxurious feel.

Key Features & Benefits:

- **Premium Quality Construction:** The dispenser features a sturdy, polished chrome wall bracket and a high-quality stainless steel (STS) pump head. This robust construction ensures long-lasting performance and resistance to rust and corrosion, even in humid bathroom environments.
- **Elegant Frosted Glass Reservoir:** The 180ml frosted glass bottle adds a touch of understated elegance, diffusing the light beautifully and concealing the soap level for a consistently neat appearance. The glass is both durable and easy to clean, maintaining its pristine look over time.
- **Hygienic and Space-Saving Design:** By mounting the dispenser on the wall, you free up valuable counter space, creating a more organised and clutter-free environment. This design also prevents the common issue of soap residue on surfaces, promoting a more hygienic bathroom.
- **Effortless Refilling:** The glass bottle is easily removed from the wall bracket, allowing for quick and mess-free refilling. The wide neck opening accommodates a variety of liquid soaps, lotions, and hand sanitisers.

- **Smooth and Reliable Pump Action:** The high-quality STS pump mechanism delivers a consistent and generous amount of soap with a single, easy press. Its smooth action prevents drips and leaks, keeping your sink area clean.

Versatile Application: While perfect for the bathroom, the Oxford dispenser is also an ideal addition to kitchens, powder rooms, or commercial spaces like hotels and restaurants. Its classic design complements a wide range of decor styles, from traditional to contemporary.

- **Simple Installation:** The dispenser comes with all necessary mounting hardware, making installation straightforward and secure.
