

Granwax Sportsclean – 5L

Variant code: 03-GWSC

Granwax Sportsclean is a fast acting cleaning product specially designed to remove all types of sports hall floor soiling quickly and effectively without the need for rinsing or neutralising.

Ideal for use on wood, Granwood & Gransprung floors and other types of sports and general purpose flooring. Maintains slip resistance of sports floor finishes.

Regular use of Granwax Sportsclean will result in a clean surface with good tractional properties, essential for sporting purposes.
