Greaseproof Bags - 6" x 6" - Pack of 1000

Variant code: 18-GPB64

Greaseproof Bags are practical and hygienic **6" x 6" food packaging bags** designed for serving and storing hot and greasy food items. Manufactured from quality grease-resistant paper, these food-safe bags help prevent oil and grease transfer while maintaining a clean and professional presentation for takeaway, catering and food service environments.

Ideal for bakeries, cafés, takeaways, street food vendors and catering operations, these greaseproof bags provide a reliable solution for packaging sandwiches, pastries, confectionery, baked goods and fried foods. The grease-resistant paper construction helps minimise leakage and staining, improving hygiene and customer handling while maintaining product freshness and presentation.

Supplied in a convenient **pack of 1000 bags**, these disposable greaseproof bags provide a cost-effective and efficient packaging solution for high-volume food service operations requiring dependable food wrapping and serving products.
