Greaseproof Bags with Clear Window Front - 7" x 7" - Pack of 1000

Variant code: 18-GPBW77

Greaseproof Bags with Clear Window Front are practical and hygienic **7" x 7" food packaging bags** designed to provide excellent product presentation while protecting food from grease and oil transfer. Featuring a transparent film front, these bags allow clear visibility of contents, making them ideal for takeaway, bakery and food-to-go applications.

Manufactured from quality grease-resistant paper with an integrated **clear display window**, these disposable food bags combine functionality with attractive presentation. The greaseproof construction helps contain oils and moisture from hot or freshly prepared foods, while the transparent front enhances product visibility for improved customer appeal. Ideal for pastries, sandwiches, baked goods, confectionery and takeaway snacks.

Supplied in a convenient **pack of 1000 bags**, these greaseproof display bags provide a reliable and cost-effective packaging solution for bakeries, cafés, sandwich shops and hospitality environments requiring hygienic food presentation and takeaway packaging.
