

## Griddle Stainless Steel Cleaning Pad Holder – Each

**Variant code: 12-201**

Stainless steel Griddle Holder for use with the griddle screens and scourers for effective cleaning of griddles and hot plates. It's part of the Griddle Cleaning Kit that's made up of three parts: a plastic or metal holder to avoid direct contact with hot surfaces; the thick griddle pad, which absorbs dirt and grease; and the abrasive screen to easily remove burnt-on food and grease from flat griddles and hot plates
